

# Summary of Out-of-Area PPO Out-of-Area HDHP 100/80 \$2,600 Deductible *Benefits* Qualified High Deductible Health Plan (HDHP)

This program is a qualified high deductible plan as defined by the Internal Revenue Service. It is designed for use with a Health Savings Account (HSA). This program should not be combined with any funding arrangement other than an HSA.

With your PPO, or Preferred Provider Organization, if you receive services from a provider who is in the PPO network, you'll receive the highest level of benefits. If you receive services from a provider who is not in the PPO network, you'll receive the lower level of benefits. In either case, you coordinate your own care. **If you enroll as an individual, the deductible and out-of-pocket maximums for the "Employee Only Plan" apply. If you enroll as a family, the deductible and out-of-pocket maximums for the "Family Plan" apply and can be satisfied by one or more of your family members.**

- (1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's renewal date. Contact your employer to determine the renewal date applicable to your program.
- (2) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
- (3) State mandated benefits (30 inpatient days and 60 outpatient visits annually with the right to exchange inpatient days for outpatient visits on a one-for-two basis) may apply to a diagnosis of serious mental illness. Serious mental illnesses include: schizophrenia, schizo-affective disorder, major depressive disorder, bipolar disorder, obsessive compulsive disorder, panic disorder, anorexia nervosa, bulimia nervosa, delusional disorder. Once mental health limits are exhausted, both inpatient and outpatient serious mental illness services must be provided by a network provider (see above-referenced benefits for plan limits).
- (4) Highmark Healthcare Management Services (HMS) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Some facility providers will contact HMS and obtain precertification of the inpatient admission on your behalf. Be sure to verify that your provider is contacting HMS for precertification. If not, you are responsible for contacting HMS. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
- (5) At a retail or mail order pharmacy, if your deductible has not been met, you pay the entire cost for your prescription drug at the discounted rate Highmark has negotiated. The amount you paid for your prescription will be applied to your deductible. If your deductible has been met, you will only pay any member coinsurance required based on the benefit level indicated above. You will pay this amount at the pharmacy when you have your prescription filled.

*This is not intended as a contract of benefits. It is designed purely as a reference of the many benefits available under your program.*
