- 1.1 “Agreement” means this Producer Agreement.
- 1.2 “Highmark” shall mean Highmark Inc. or its successors in interest and any Highmark affiliate identified on pages 1 and 2 of this Agreement.
- 1.3 “Producer” means the licensed entity (and its directors, officers, employees, licensed producers and legal agents) entering into this Agreement with Highmark.
- 1.4 “Producer of Record” means a Producer that has been designated in writing by a Client to be entitled to receive commission on the sale, as provided on the applicable sample letter, attached hereto and marked as Schedule “D”.
- 1.5 “Producer of Record Letter” means the applicable sample letter or other form attached hereto and marked as Schedule “D” which has been executed by a Client, which designates the Producer of Record, and which may provide the amount of commission payable to that producer.
- 1.6 “Client” means the entity or individual entering into a contract with Highmark for one or more Health Benefits Products. If Client is a sole proprietor, then the sole proprietor is an employee for purposes of this requirement. An entity that purchased health benefits coverage through participation or membership with an association, to which a Health Benefits Product is issued, is not a Client.
- 1.7 “Existing Business” means any Client that is currently under contract for a Health Benefits Product with Highmark.
- 1.8 “New Business” means any business that is not Existing Business.
- 1.9 “Health Benefit Product” means any one product or any one or a combination of the Medicare products that comprise the Health Benefits Products including, but not limited to those listed on Schedule “A” to this Agreement, as amended from time to time by Highmark.
- 1.10 “Service Area” means the counties in Pennsylvania or West Virginia identified in Schedule B to this Agreement, as may be modified from time to time by Highmark, in which the Producer is authorized to sell, solicit or negotiate insurance on behalf of Highmark.

Section 2. Appointment and Relationship

- 2.1 Highmark shall appoint the Producer and its individual, licensed employee producers to represent Highmark in accordance with the terms of this Agreement, following prompt completion and submission to Highmark of the applicable Producer Appointment Information Form and Conflict of Interest Disclosure Statement and Appointment Agreement, provided in Schedule E to this Agreement.
- 2.2 Producer’s relationship to Highmark is that of an independent contractor, and nothing contained in this Agreement shall be construed to make the Producer an employee of Highmark. The Producer shall not represent itself as an employee of Highmark. Further, nothing in this Agreement is intended nor shall be construed to create a partnership or

joint venture between Highmark and the Producer. Highmark shall not be responsible for the expenses, obligations or any liabilities of the Producer or its individual, licensed employee producers or legal agents.

2.3 Highmark is an independent licensee of the Blue Cross and Blue Shield Association.

Section 3. Scope of Producer's Authority

3.1 Producer has no authority except that which is expressly set forth in this Agreement. No authority may be implied from the authority expressly granted.

3.2 Producer has no authority to bind or commit Highmark, except as specifically authorized by Highmark in this Agreement.

3.3 Highmark authorizes the Producer to do the following:

3.3.1. To sell, solicit and negotiate Highmark Health Benefits Products to Clients in the Service Area, in accordance with Highmark's requirements.

3.3.2. To facilitate installment of sold Clients, using forms and procedures required by Highmark for enrollment and installation purposes.

Section 4. Producer Duties and Responsibilities

4.1 Compliance with Highmark Requirements

4.1.1. Producer shall comply with and enforce Highmark's rules, code of ethics, guidelines, policies, procedures, and instructions (hereinafter collectively referred to as "Highmark Requirements") pertaining to solicitation, underwriting, participation, marketing, rate quotation, proposal submission, Client eligibility, sold Client installation, or servicing of sold Clients. Highmark Requirements, and any revisions thereto, shall be communicated to the Producer in a reasonable time and manner, as determined by Highmark.

4.1.2. Producer shall maintain records and forms that are reasonably required by Highmark or required under applicable law. Producer shall permit Highmark, upon reasonable notice, to inspect and make copies of all records in Producer's possession which relate to the subject matter of this Agreement. Any such records that constitute the property of Highmark together with all materials furnished to the Producer by Highmark shall be subject to examination by or surrender to Highmark at any time.

4.1.3. Producer shall not use, publish or cause to be published, circulate or cause to be circulated, or utilize in the marketing effort contemplated under this Agreement any advertising material other than that approved in writing or furnished by Highmark. Advertising material includes, but is not limited to:

- (a) printed and published material, audiovisual material, or descriptive literature used in direct mail, newspaper, magazines, radio and television scripts, electronic commerce, billboards and similar displays;

- (b) descriptive literature and sales aids of all kinds but not limited to circulars, leaflets, booklets, illustrations, computer proposals, and form letters;
- (c) all materials containing brands, including but not limited to symbols, names, service marks and derivative marks owned by Highmark, or the Blue Cross and Blue Shield Association.

4.1.4. Producer is not permitted to offer or sell direct pay, individual health insurance products underwritten by Highmark or any other insurance carrier to Clients that are eligible for group coverage under a Highmark group Health Benefits Product, either as an employee or other enrollee or as a dependent of an employee or other enrollee, except for those dependents who are eligible for the Childrens' Health Insurance Program. Violation of this provision by the Producer shall constitute a basis for termination of this Agreement for cause. Clients eligible for group coverage under a Highmark group Health Benefits Product means Clients who:

- (a) qualify for a membership or participation in one or more associations or other entities through which Highmark group coverage is available; and
- (b) satisfy Highmark participation and underwriting guidelines for groups.

Nothing in this sub-section shall be construed to mean that a Client is required to become a member or participant in any association or entity through which Highmark group coverage is available. Clients who choose to decline such membership and participation may elect to have a Highmark group Health Benefits Product issued directly to it, subject to satisfaction of Highmark participation and underwriting guidelines.

4.1.5. Notwithstanding the provisions of sub-section 4.1.4, above, direct pay individual Highmark health insurance products may be offered to Clients eligible for group coverage, as defined above, only under the following circumstances:

- (a) the Producer has presented the Client with all available group coverage options, including coverage through membership or participation in one or more associations or other organizations offering Highmark group coverage, and the option of having a separate group policy issued directly to the Client; and
- (b) the Client has rejected all available group coverage options presented by the Producer for the reason that he or she will either:
 - i. not purchase any insurance coverage because the cost is prohibitive; or
 - ii. seek individual or group coverage from a competing insurance carrier.

- 4.1.6. Producer acknowledges that Highmark is an independent licensee of the Blue Cross and Blue Shield Association.
- 4.1.7. Producer acknowledges that it has no authority or license to use the Brands owned by Highmark or by the Blue Cross Blue Shield Association, an Association of independent Blue Cross and Blue Shield Plans. These Brands include the cross and shield symbols and names. Any references to the Brands made by Producer in its own materials are subject to prior review and approval by Highmark, an independent licensee of the Blue Cross and Blue Shield Association.
- 4.1.8. On an annual basis, and prior to selling any products hereunder, Producer shall complete and pass (score of 80% or better on each program) Highmark's training programs regarding compliance, fraud and abuse, marketing, product features and any other area determined to be relevant by Highmark. Producer must earn a certification that qualifies Producer to sell the Medicare Health Benefits Products authorized pursuant to this Agreement.

4.2 Premium Remittance

- 4.2.1. Producer is not authorized to collect or remit any premium from Clients.

4.3 Customer Service

- 4.3.1. Producer shall arrange for its own customer service unit to receive and respond to customer inquiries regarding Health Benefit Plans. Such service units shall be staffed during regular business hours, to support and supplement customer service provided by Highmark.
- 4.3.2. Producer shall provide Highmark client managers and other Highmark personnel with direct access to all current and prospective Clients.
- 4.3.3. Producer shall maintain, at its expense, electronic capabilities, data processing systems, equipment and facilities, an office or offices, and competent staff sufficient to perform its obligations under this Agreement.
- 4.3.4. Producer shall obtain and maintain, facsimile, voice mail, electronic funds transfer capability, electronic mail capability, and other electronic capabilities as shall be requested by Highmark from time to time. Producer also shall provide Highmark its electronic mail address. These capabilities shall be maintained throughout the term of this Agreement.
- 4.3.5. Producer shall train, manage and pay its employees in a manner sufficient to perform its obligations under this Agreement.
- 4.3.6. Producer shall use its best efforts to increase persistency and customer service satisfaction using guidelines, procedures and standards developed by Highmark for these purposes.
- 4.3.7. Producer shall allow Highmark to reevaluate its quote on Existing Business prior to such business being quoted by or placed with another insurance carrier.

- 4.3.8. Producer shall submit all pertinent Client information to Highmark, in accordance with Highmark's Requirements, including any additional information or changes occurring after the Client's original request for quotation.
- 4.3.9. Producer shall meet with representatives of Highmark not less than annually to share best practices and to develop business plans.

4.4 Regulatory Compliance and Insurance

- 4.4.1. Producer shall hold an appropriate producer license and be appointed by Highmark **prior** to the solicitation or offering of any Health Benefits Products to potential customers on behalf of Highmark. **No business will be accepted from any producer prior to appointment by Highmark.**
- 4.4.2. Producer shall comply with all applicable state and federal laws.
- 4.4.3. Producer shall promptly notify Highmark of any termination, suspension, or expiration of the Producer's license or of any employee's licenses. The Producer shall promptly notify Highmark in the event it is charged by state or federal regulators with any wrongdoing for which the penalty of suspension or revocation of its producer's license is possible.
- 4.4.4. During the term of this Agreement, Producer shall obtain and maintain in full force and effect, at its expense, errors and omissions insurance, fidelity insurance, directors and officers insurance (as applicable), and general liability insurance in such amounts and on such terms as are reasonably acceptable to Highmark, but in no event less than the following: Errors and Omissions - \$1,000,000 per loss/aggregate, Fidelity - \$100,000 limit, and General Liability - \$1,000,000 per occurrence/aggregate.
- 4.4.5. Upon request, Producer shall furnish Highmark, as evidence of coverage, certificates of insurance for Fidelity, Errors and Omissions and General Liability insurance. Further, the Producer shall not cancel or reduce any such insurance without Highmark's prior written consent. Highmark reserves the right to change its reasonable requirements regarding such insurance by giving Producer written notice of the revised requirements.
- 4.4.6. Producer shall notify Highmark within five (5) days if it receives notice that its liability insurance carrier intends to terminate, cancel, non-renew, or rescind the errors and omissions insurance, fidelity insurance, directors and officers insurance (as applicable), and general liability insurance coverage.
- 4.4.7. Producer shall promptly forward to Highmark, any and all complaints, and/or inquiries, written or oral, that it received from any state or federal regulator or official, regarding or pertaining to the subject matter of this Agreement.

4.5 Organizational Conflicts of Interest

- 4.5.1. As a Medicare contractor, Highmark is required to make certain certifications to the federal government concerning Organizational Conflicts of Interest ("OCIs") to confirm that no unresolved actual, apparent or potential OCIs exist.

Therefore, Producer agrees to certify that all relationships and contacts that it or its subsidiaries, affiliates or key personnel have or may have had with the Centers for Medicare and Medicaid Services (“CMS”) have been disclosed to Highmark in writing, as provided in Schedule E, the Highmark Inc. Producer Appointment Information Form and Conflict of Interest Disclosure Statement. In addition, Producer certifies that none of its employees that may be assigned to provide services under this Producer Agreement, nor any of such employees’ immediate family members, have any current or past relationship with CMS, that have not been disclosed.

- 4.5.2. Highmark is required to notify CMS within forty-five (45) days of any change to the OCI information submitted in its certification to CMS. Therefore, Producer agrees to inform Highmark, in writing, within five (5) business days of identifying any activity that creates an actual, apparent or potential conflict of interest. If Highmark determines, in its sole discretion, that any conflict of interest exists and cannot be reasonably mitigated, Highmark may terminate this agreement in accordance with Section 9.3.12 of this Producer Agreement.

Section 5. Highmark Duties and Responsibilities

- 5.1 Highmark shall provide Producer with marketing, sales and other materials that it considers appropriate and necessary for use by Producer for activities covered under this Agreement.
- 5.2 Highmark shall deliver to Producer production reports at such times and in such manner as Highmark shall reasonably determine necessary and appropriate.
- 5.3 Highmark shall make training opportunities available to Producer with such substance, manner and frequency as Highmark shall determine reasonable and appropriate from time to time.

Section 6. Producer’s Representations and Warranties

- 6.1 On the date hereof and during the term of this Agreement, Producer hereby warrants and represents to Highmark as follows:
 - 6.1.1. The Producer, and each of its employee producers, has and will comply with all applicable federal, state and local laws and shall, whenever necessary, obtain and maintain, at its own expense, all licenses required for it and each of its employee producers, to perform its obligations under this Agreement.
 - 6.1.2. Producer has the authority to enter into this Agreement. Performance of its duties and obligations as set forth in this Agreement will not breach or conflict with Producer’s Bylaws or Articles of Incorporation, or with any agreement, covenant, or understanding (oral or written) to which Producer is bound.
 - 6.1.3. Producer is a duly organized and validly existing entity in the Commonwealth of Pennsylvania or West Virginia.

Section 7. Confidentiality

- 7.1 During the term of this Agreement and any extension thereof, or at any time after termination of the Agreement in addition to its obligations under Section 15.4, the

Producer shall not divulge or use any confidential and/or proprietary information about the business of Highmark, except in furtherance of Producer's obligations under this Agreement and except as authorized by Highmark in writing. Confidential and proprietary information about the business of Highmark includes, but is not limited to, policies, procedures, underwriting guidelines, and/or Client specific proposals of Highmark, which the Producer obtained or to which it was granted access by reason of this Agreement.

- 7.2 Group records that are made and maintained separately by Highmark and Producer are neither proprietary nor confidential information as to either party to this Agreement, and shall be jointly owned by the parties. These jointly-owned records include, but are not limited to, the details of existing group or individual coverage.
- 7.3 Producer agrees that any violation of the provisions of this Section will cause immediate and irreparable harm to Highmark not compensable by monetary damages and that Highmark will be entitled to obtain injunctive relief, in addition to other relief, in any court of competent jurisdiction, to enforce the provisions hereof.

Section 8. Compensation

- 8.1 Producer shall comply with Highmark's policy regarding its disclosure to Clients of the amount of commissions and fees received by Producer from Highmark, which policy may change from time to time.
- 8.2 Highmark reserves the discretion to inform any Client of the amount of commission and fees received by Producer pursuant to the terms of this Agreement.
- 8.3 Highmark's obligation to pay commission under this Agreement on group business is contingent on the Producer's prior submission of the applicable Producer of Record Letter, as set forth in Schedule "D", and executed by the Client.
- Highmark's obligation to pay commission under this Agreement on individual, direct pay business is contingent on the Producer's prior submission to Highmark of The Broker/Agent Enrollment Application Addendum, signed by the Producer and The Client.
- 8.4 Commission will be paid according to Schedule "C" of this Agreement.
- 8.5 The following additional requirements and conditions shall apply to Highmark's payment of Producer commission:
- 8.5.1 Commission shall be payable monthly upon commencement or renewal of the Client contract for a Health Benefits Product. If new coverage is added to a Client's existing Health Benefits Product, the Producer shall be paid the existing commission on the new and the existing Plans.
- 8.5.2 Any assignment by Producer of commission payable under this Agreement is subject to prior approval by Highmark.
- 8.6 Any commissions to be repaid by the Producer, shall offset against commissions payable to the Producer.

- 8.7 Retroactive commissions will be paid provided a Producer of Record letter is on file, or is obtained, verifying that the Producer was the Producer of Record (POR) for the time period in question. Provided these criteria are met, Highmark will authorize retroactive payment as far back as twelve (12) months prior to the date the claim for retroactive commission is made.
- 8.8 Upon termination of this Agreement by the Producer for any reason, the Producer shall have no right to receive further commission.
- 8.9 Upon termination of this Agreement by Highmark, without cause, commissions shall be paid on group business for the balance of the Client's contract year, and on direct pay (individual) business for the balance of the calendar year. Payment of such Commissions is contingent upon coverage remaining continuously in force during that year and Producer remaining Producer of Record. No further commissions will be paid.
- 8.10 Upon termination of this Agreement by Highmark for cause, the Producer shall have no right to receive additional commissions. Commission payments shall end as of the last day of the month in which termination occurs.
- 8.11 The commission amounts and calculation formulas set forth in Schedule "C" may be revised from time to time by Highmark in its sole discretion. Highmark shall provide reasonable advance notification to Producer of any such revision.
- 8.12 If one Producer is replaced by another Producer as Producer of Record for the same Client, such change will take effect in accordance with Highmark's policy regarding replacements. This policy is subject to change at Highmark's discretion.

Section 9. Term of Agreement, Suspension of Authority and Termination

- 9.1 This Agreement shall be effective from the date on which it is executed by Highmark and shall continue in full force and effect for twelve (12) consecutive months, the "Initial Term", at which time, unless terminated as provided below, this Agreement shall automatically renew for a further period of twelve (12) consecutive months and thereafter from year to year.
- 9.2 This Agreement may be terminated at any time by either party upon sixty (60) days written notice to the other party.
- 9.3 This Agreement may be terminated immediately for cause by Highmark upon the occurrence of any of the following:
- 9.3.1. The Producer has materially breached any material term of this Agreement.
 - 9.3.2. Such termination is required by state or federal law, or by an order of any state or federal regulator or court with authority to issue such an order.
 - 9.3.3. Termination or suspension of the Producer's license or appointment.
 - 9.3.4. The Producer withholds, converts for its own use, or otherwise misappropriates funds of Highmark or a Client.
 - 9.3.5. The Producer commits any illegal act or fraud in the performance of its duties under this Agreement.

- 9.3.6. The Producer fails to maintain the insurance coverages required under this Agreement.
- 9.3.7. Upon the Producer's dissolution, bankruptcy or insolvency.
- 9.3.8. Upon the Producer's conviction, entry of a plea of *nolo contendere*, or the imposition of probation without verdict for any felony, or a misdemeanor related to the business of insurance, including but not limited to fraud, theft, embezzlement, or any other offense related to the misuse or taking of funds.
- 9.3.9. Upon the occurrence of any act or omission by Producer which would cause Highmark to be in violation of any law of any jurisdiction.
- 9.3.10. Upon the sale of a controlling interest in Producer.
- 9.3.11. Upon notification by Producer that it has been charged by state or federal regulators with any wrongdoing, for which suspension or revocation of Producer's license is possible.
- 9.3.12. Upon Highmark's determination that an Organizational Conflict of Interest exists, in accordance with Section 4.5 of this Agreement, which cannot be reasonably mitigated.

Section 10. Privacy Compliance

- 10.1 Member Privacy. All personally identifiable information about Highmark's Members ("Protected Health Information" or "PHI") is subject to various statutory privacy standards, including the regulations of the Pennsylvania Insurance Department implementing Title V of the Gramm-Leach-Bliley Act (31 Pa. Code Chapters 146a and 146b); other state law; the Health Insurance Portability and Accountability Act of 1996 and regulations adopted thereunder by the Department of Health and Human Services, 45 CFR Parts 160, 162, 164 ("HIPAA"). The parties will treat all such information in accordance with those standards, and will use or disclose PHI received from the other only for the purposes stated in this Agreement, or to comply with judicial process or any applicable statute or regulation.
- 10.2 Business Associate Provisions. Whenever any activity under this Agreement would cause Producer to be considered a "Business Associate" as defined in 45 C.F.R. § 160.103, the following restrictions will apply to all uses and disclosures of all PHI.
 - 10.2.1. In all instances where the HIPAA "minimum necessary" standard, as provided in 45 C.F.R. § 164.502(b), applies, Highmark shall disclose PHI to Producer, and Producer shall collect, create, or re-disclose such PHI, to the minimum extent reasonably necessary to permit the performance of Producer's duties as described in this Agreement.
 - 10.2.2. Producer shall use the PHI only to perform the functions delegated to it under this Agreement, and for no other purpose.
 - 10.2.3. Producer will:

- (a) Not use or further disclose PHI other than as permitted or required by this Agreement, or to comply with judicial process or any applicable statute or regulation;
- (b) Notify Highmark in advance of any disclosure of PHI that Producer is required to make under any judicial or regulatory directive;
- (c) Notify Highmark, and obtain Highmark's written consent, prior to engaging a subcontractor to which Producer intends to provide PHI;
- (d) Not transmit PHI to any person, entity, facility or subcontractor physically located outside of the United States;
- (e) Implement reasonable and appropriate administrative, technical and physical safeguards to preserve the integrity, confidentiality and availability of PHI, and to prevent non-permitted use or disclosure of PHI. When so required:
 - i. Such safeguards shall be consistent with applicable requirements of 45 C.F.R. Part 164, Subpart C, pertaining to the security of Electronic Protected Health Information ("EPHI");
 - ii. Producer will ensure that any agent, including a subcontractor, to whom it provides EPHI agrees to implement reasonable and appropriate safeguards to protect it; and
 - iii. Producer will report any security incident (as defined in 45 C.F.R. § 164.304) of which it becomes aware to Highmark.
- (f) Report to Highmark any use or disclosure of PHI not provided for in this Agreement of which Producer becomes aware within thirty (30) days of such disclosure. The report must contain (1) the disclosure date, (2) the name and address of the recipient of the disclosure, (3) a brief description of the PHI disclosed, and (4) a brief statement of the purpose of the disclosure;
- (g) Ensure that any agents, including any subcontractor approved by Highmark under subsection (C) above, to whom Producer provides PHI received from Highmark, or created or received by Producer on behalf of Highmark, agrees to the same restrictions and conditions that apply to the protection of information under this Agreement;
- (h) If Producer holds any PHI in a Designated Record Set as defined by HIPAA, make PHI available to individuals as required by 45 C.F.R. § 164.524;
- (i) If Producer holds any PHI in a Designated Record Set as defined by HIPAA, make PHI available for amendment and incorporate any amendments in accordance with 45 C.F.R. § 164.526;
- (j) Make available the information required to provide an accounting of disclosures in accordance with 45 C.F.R. § 164.528;

- (k) Make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created, or collected by the Producer on behalf of Highmark, available to the Secretary of Health and Human Services and/or Highmark when called upon for purposes of determining Highmark's and/or Producer's compliance with federal privacy standards; and
 - (l) At termination of this Agreement, if feasible, return or destroy all PHI received from Highmark, or created or received by Producer on behalf of Highmark, that Producer still maintains in any form and retain no copies of such information or, if such return or destruction is not feasible, continue to treat all such information in accordance with the limits provided in this Agreement and limit further uses and disclosures to those purposes that make the return or destruction of the information unfeasible.
- 10.2.4. If the HIPAA regulations governing PHI are modified in any way affecting the Business Associate Provisions of this Agreement, as soon as reasonably possible, but no later than the compliance date for any regulation, the parties shall review this Agreement and, as necessary, modify this Agreement to incorporate any relevant provisions.
- 10.2.5. If Highmark determines that Producer has violated a material term of these Business Associate Provisions, Highmark is authorized, pursuant to 45 C.F.R. §164.504(e)(2)(iii), to terminate this Agreement.
- 10.2.6. The terms and conditions of these Business Associate Provisions will override and control any conflicting term or condition of this Agreement. All nonconflicting terms and conditions of this Agreement remain in full force and effect.
- 10.2.7. All notices regarding the use or disclosure of PHI required to be given under this Agreement, or questions regarding the handling of PHI, should be addressed to:

Section 11. Violent Crime Control Act

- 11.1 Highmark, as an insurer engaged in the business of insurance in the Commonwealth of Pennsylvania and West Virginia, is required to comply with the provisions of the Violent Crime Control and Law Enforcement Act of 1994 ("VCCA"), 18 U.S.C. §§ 1033 *et seq.*, and the related Pennsylvania Insurance Department Notice No. 2000-04. The VCCA prohibits companies and individuals from engaging in the business of insurance if the company or individual has ever (1) pled guilty to, (2) pled no contest to, or (3) been convicted of (a) any criminal felony involving dishonesty or a breach of trust, or (b) of an offense defined within the VCCA, unless that company or individual has obtained written consent from the appropriate state insurance department. The Insurance Departments of Pennsylvania and West Virginia have determined that consultants and contractors of insurers are "engaged in the business of insurance" for purposes of the VCCA.

- 11.2 Highmark is required by the Insurance Departments of Pennsylvania and West Virginia to obtain assurances from its consultants and contractors that they are in compliance with the VCCA. These assurances shall not be deemed to constitute an admission by the consultant or contractor that it is engaged in or participating in the business of insurance within the meaning of the VCCA or that it is otherwise subject to the VCCA or jurisdiction of the Pennsylvania or West Virginia Insurance Department.
- 11.3 Producer certifies that it has not (1) pled guilty to, (2) pled no contest to, or (3) been convicted of (a) any criminal felony involving dishonesty or a breach of trust, or (b) of an offense defined within the VCCA. Furthermore, Producer certifies that each of the employees, agents, and/or other representative of Producer who perform work or services described in the Agreement has not (1) pled guilty to, (2) pled no contest to, or (3) been convicted of any such felony or offense. Producer understands that if Producer learns that any person who is performing work or services on behalf of Producer as described in the Agreement may not be in compliance with the VCCA, Producer is obligated to immediately notify Highmark, in writing, of this information and remove the subject person from performing the work or services.
- 11.4 If Producer, to fulfill its obligations under this Agreement, wishes to use an individual who has ever (1) pled guilty to, (2) pled no contest to, or (3) been convicted of (a) any criminal felony involving dishonesty or a breach of trust, or (b) an offense defined within the VCCA, the individual must first obtain written consent from the appropriate state insurance department (e.g., Pennsylvania Insurance Department for Pennsylvania residents; otherwise, the insurance department of the individual's state of residency). Producer agrees to provide Highmark with a copy of such written consent prior to assigning this individual to perform any work or services pursuant to this Agreement.
- 11.5 Highmark reserves the right to conduct a reasonable audit to verify the compliance of Producer with the requirements of the VCCA. If requested by Highmark, Producer agrees to provide Highmark with a certification, in a form reasonably requested by Highmark, that it is in compliance with the VCCA. In addition, and if requested by Highmark, Producer agrees to provide Highmark certifications, in a form reasonably requested by Highmark, from Producer's personnel signifying their individual compliance with the VCCA.

Section 12. Other Laws

- 12.1 Producer represents that it has complied, and it shall comply during the performance of this Agreement, with all federal, state, municipal and local laws, rules and regulations applicable to its activities under this Agreement, including but not limited to compliance with commission disclosure requirements. At the request of Highmark, or of any governmental agency having jurisdiction over the activities performed under this Agreement, Producer shall furnish certifications to the effect that it has complied with said laws.
- 12.2 The parties intend that all activities under this Agreement shall be in compliance with all applicable laws and regulations. If any new law or regulation, or any interpretation of any existing law by any governmental authority, renders any activity hereunder illegal, unenforceable or noncompliant, then, notwithstanding any provision in this Agreement requiring mutual consent for amendments, Highmark may amend the Agreement to achieve compliance with such new law in accordance with this section. Highmark will notify Producer in writing at least thirty (30) days before the effective date of any such

amendment. If Highmark does not receive a written objection to the proposed amendment before the effective date stated in the notice, Producer will be deemed to have accepted the amendment.

Section 13. General Provisions

- 13.1 This Agreement, together with any attached Addendum and Schedules, constitutes the entire agreement between the parties with respect to the matters contained herein and shall not be modified or rescinded, except by a writing signed by both parties, except as otherwise provided in this Agreement.
- 13.2 This Agreement supersedes any and all contracts, stipulations and agreements, written or oral, existing between Producer and Highmark, their subsidiaries or affiliates, entered into prior to the effective date of this Agreement.
- 13.3 The section headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of any provisions of this Agreement.
- 13.4 This Agreement shall be governed by, construed and enforced in accordance with the laws of the Commonwealth of Pennsylvania.
- 13.5 Nothing shall preclude Highmark from seeking relief against the Producer in a Court of Law or in Equity under appropriate circumstances, including but not limited to, a request for injunctive relief. The Producer acknowledges that its obligations under this Agreement are unique and that monetary redress may be inadequate to compensate Highmark for the breach thereof. The parties hereby agree that the venue for any such law or equity proceedings shall be the Court of Common Pleas of either Allegheny or Cumberland Counties, Pennsylvania. The Producer, wherever it may be located, hereby consents to personal jurisdiction and venue before the Court of Common Pleas of either Allegheny or Cumberland Counties, Pennsylvania.
- 13.6 This Agreement may be amended to comply with changes in applicable federal or state law, which amendment shall become effective without requiring the written agreement of the parties, unless Producer rejects such amendment by providing written notice to Highmark of its rejection within thirty (30) days of receipt. Such amendment shall become effective immediately upon its mailing, unless Highmark indicates otherwise.
- 13.7 If any one or more of the provisions contained in this Agreement shall be or become invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions contained in this Agreement shall not in any way be affected or impaired, provided however, that in such case the parties shall achieve the purpose of the invalid provision by agreeing to a new, legally valid provision which shall become part of this Agreement.
- 13.8 This Agreement shall not be sold, pledged, or assigned by the Producer without the prior written consent of Highmark.
- 13.9 No assignment of commissions or any other payments due under this Agreement shall be valid without the prior written consent of Highmark.
- 13.10 All communications required or permitted to be given under this Agreement shall be in writing, unless otherwise provided in this Agreement, and shall be sent by prepaid

certified, registered or standard mail or a nationally recognized overnight courier, or transmitted by facsimile, or sent via electronic mail addressed to the Highmark regional contact or the Producer contact to whom it is directed at its electronic or standard mailing address set forth on pages one and two of this Agreement, or to such other contact's address as may from time to time be specified by one party to the other. All communications shall be effective upon the earlier of (a) receipt, or (b) with respect to communications that are sent by standard, certified or registered mail, three (3) business days after mailing, and with respect to communications sent by overnight courier one (1) business day after sending.

- 13.11 Either party may at any time change its contact or address for communication purposes, by sending a notice, stating the change and setting forth the new information. The new information shall be effective on the date specified in such communication, or if no date is specified, on the tenth (10th) day following the date such communication is received.
- 13.12 Forbearance, failure or neglect by either party to enforce any or all of the provisions of this Agreement shall not be construed as a waiver or estoppel of any of the rights or privileges of that party under this Agreement.
- 13.13 The Producer agrees to indemnify and hold Highmark, its respective affiliates and subsidiaries and their respective officers, directors, and employees harmless from any damage and against any liability for loss, cost, expenses, fines, penalties, including punitive or exemplary damages and all costs of defense, including reasonable attorney's fees; (i) resulting from any act, error or omission, whether intentional or unintentional, by the Producer and its officers, directors, employees or legal agents, related to or which arise out of the business covered by this Agreement, or (ii) resulting from any obligation, act or transaction created or performed by the Producer in violation of its authority as provided in this Agreement.

Section 14. Records, Reports and Audits

- 14.1 Highmark shall have the right, upon reasonable prior notice and during normal business hours, to inspect and audit all records, files and documents related to the activities covered under this Agreement. Producer agrees to fully cooperate with Highmark in conducting such inspections and audits.
- 14.2 Producer shall provide reasonable assistance to Highmark in responding to any regulatory requirements, audits or other inquiries.

The person that is discussing plan options with you is contracted with Highmark companies. The person may be compensated based on your enrollment in a plan.

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital must agree to accept the plan's terms and conditions prior to providing healthcare services to you, with the exception of emergencies. If your doctor or hospital does not agree to accept Highmark's payment terms and conditions, they may not provide healthcare services to you, except in emergencies. Providers can find the plan's terms and conditions on Highmark's website at: www.highmark.com.

- 15.6 The Producer agrees to grant the U.S. Department of Health and Human Services, the Comptroller General, or their designees, the right to inspect, evaluate and audit any pertinent contracts, books, documents, papers and records of the Producer involving transactions related to Highmark's contract with CMS for a period of 10 years from the final date of the contract period or the date of audit completion, whichever is later.

- 15.8 Highmark will monitor the performance of the Producer on an ongoing basis and may formally review it at least annually. Producer will permit Highmark to listen in or record

Medicare Marketing Standards of Conduct

Producers and Highmark sales representatives may not engage in activities which have the potential to mislead, confuse or misrepresent Medicare products offered by Highmark. When selling Medicare Advantage and Part D products for Highmark, you must comply with all state licensure laws, as well as all applicable Medicare Advantage and Part D laws, CMS policies, including CMS Marketing Guidelines, and all federal health care laws (including civil monetary penalty laws). The list below highlights certain standards and rules that agents, brokers and Highmark-employed sales representatives must abide by. You acknowledge that you are aware of these guidelines, agree to follow them and to otherwise comply with all applicable legal requirements.

Among other requirements, agents, brokers and Highmark-employed sales representatives:

- Must be able to provide thorough information about the product(s) benefit plan including co-payments, deductibles and network providers;
- Shall not claim recommendation or endorsement by the Centers for Medicare & Medicaid Services (CMS) or that CMS recommends that Medicare beneficiaries enroll in the plan;
- Must use and follow Highmark provided (or other Highmark approved) product scripts or talking points for sales presentations including all disclosures in accordance with CMS guidelines;
- Shall not make any statement, claim, or promise that conflicts with, materially alters, or erroneously expands upon the information contained in CMS-approved materials;
- Shall not use providers or provider groups to distribute printed information comparing benefits of different health plans, unless the materials have the concurrence of all Medicare Advantage Organizations' (MAO's) involved and unless the materials have received prior approval from CMS;
- Shall not accept enrollee applications in provider offices or other places where health care is delivered. Sales presentations may be conducted and enrollment applications may be distributed and collected only in common areas of a health care setting, away from where care is delivered;
- Shall not offer gifts or payment as an inducement to enroll in a Medicare product offered by Highmark;
- Shall not engage in any discriminatory marketing practice, such as attempting to enroll Medicare beneficiaries from higher income areas, without a similar effort in lower income areas;
- Shall not conduct door-to-door solicitation of Medicare beneficiaries;
- Shall not ask for personal information (i.e., Medicare number, bank account or credit card numbers) during sales presentations;
- Shall not send e-mails to a Medicare beneficiary, unless the beneficiary agrees and gives their express consent to receive e-mails related to Highmark's products, services, and/or educational information related to health care at the time the beneficiary is providing his/her email address. The consent must be documented;
- Must comply with the National-Do-Not-Call Registry, as well as applicable state telemarketing "Do Not Call" regulations, honor "do not call again" requests, and abide by Federal and State calling hours;
- Shall not take advantage of a Medicare lead to sell other insurance products to a Medicare beneficiary for which the beneficiary may not be suited, to the extent such activity would violate state licensure laws.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
