

## HIPAA ELIGIBILITY CHECKLIST

Specific provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) were designed to provide access to individual health insurance coverage for certain eligible individuals who previously had coverage through a group, government or church health plan. Highmark Blue Cross Blue Shield complies with HIPAA regulations by offering to all HIPAA eligible applicants a ClassicBlue Traditional product with an option to include Major Medical coverage. This HIPAA product waives the pre-existing conditions clause.

*By law, you must make applicants aware of the HIP AA product option available to them. Applicants have 63 days from the date on which their prior coverage ended to apply for the Highmark Blue Cross Blue Shield HIP AA product.*

### **HIGHMARK BLUE CROSS BLUE SHIELD AUTHORIZED AGENTS MUST ASK ALL INDIVIDUAL PROGRAM APPLICANTS THE FOLLOWING QUESTIONS TO DETERMINE HIPAA ELIGIBILITY**
